

Hochschule Bremerhaven

A diagram illustrating the intersection of latitude and longitude lines. A horizontal line represents a latitude line, labeled $53^{\circ}32' \text{ N}$ at its right end. A vertical line represents a longitude line, labeled $8^{\circ}35' \text{ E}$ at its top end. The two lines intersect at a point marked with a blue arrowhead. The text "Hochschule Bremerhaven" is positioned across the intersection, with "Hochschule" in grey and "Bremerhaven" in blue.

$8^{\circ}35' \text{ E}$

$53^{\circ}32' \text{ N}$
